## **TWO GLENDALE PARKS IDENTIFIED AS MACY'S "HEART YOUR PARK" FUNDRAISING PROGRAM RECIPIENTS**

*Macy's partners with the National Recreation and Park Association to raise funds for local parks nationwide, with every dollar matched by Macy's, up to \$250,000*

**Glendale, Ariz.** –Thunderbird Conservation Park and Sahuaro Ranch Park have been selected for "Heart Your Park," a program introduced as part of Macy's "Secret Garden" campaign that aims to raise awareness and dollars for local parks across the country. Through March 31, customers at Macy's Glendale Store at Arrowhead Towne Center can donate \$1 or more at the register, with 100 percent of the donations benefiting both Glendale parks. To further spread the love, Macy's will match the total customer donation across all stores, dollar for dollar, up to \$250,000 in total.

Thunderbird Conservation and Sahuaro Ranch parks are two of more than 550 parks nationwide that will benefit from Macy's "Heart Your Park" this spring. In partnership with the National Recreation and Park Association (NRPA), the national non-profit organization dedicated to the advancement of community parks, recreation and conservation, Macy's stores across the country have each selected a local park or green space in their community to support through the program. Donations will go toward making improvements, such as maintaining trails, playgrounds, and ball fields and everything in between.

"We are thrilled to partner with Macy's and NRPA for 'Heart Your Park' this spring," said Erik Strunk, executive director of parks, recreation and libraries. "Through this wonderful program and donations by Macy's customers, we are excited about the increased awareness and additional funding for our premier Glendale parks. These parks are a great asset to the community, and we greatly appreciate Macy's support."
